June 1, 2014

Dear Advisor:

Welcome to the start of the Conclave season!

This year, the State Officers have chosen "Hunger Games" as the theme of Conclave 2014. It will be an exciting time and we will be able to serve our communities through donations to local food banks.

It is important to wrap up our year and to launch our new year with a great, fun event. But it is also important to remember those less fortunate than ourselves. So join us as we survive "Hunger Games" and stamp out hunger!

Look through this guide, I'll bet there is something of interest to everyone from the Master Councilor to the newest member!

Nichols College again plays host to DeMolay and we will be joined by our brothers from all over New England and even some guests from farther afield.

I'll see you on August 8th!

"May the odds be ever in your favor..."

Electronic Registration

Introduction

This year, DeMolay will be using technology to make the registration process as easy as possible. All selections of classes, activities, competitions, etc. will be all done ahead of time. Money will be collected negating the need to bring checks and too much cash with you to Conclave.

Chapters should have one Advisor handle the online registration process. First, the Advisor should register on the system so that he will have the ability to edit and submit the registrations for the entire chapter.

FAQs

Q: I'm in the middle of registering my Chapter for Conclave and cannot find one of my members or advisors names in the predetermined list, where are they?

A: Chances are they do not have an account in the registration system. At this point, you want to click **Save for Later** at the bottom of the page and then create an account for that person. You can do that by following the instructions under "Sign Up Your Chapter" on page 13.

Q: I clicked **Save for Later** and cannot find the registration I already started. How do I get back to that registration?

A: Quite easily! From any page click **Management Menu** and then **Manage My Organizations**. From this page, you can see your partial registration for Conclave 2014. Click **Complete** to continue your registration.

Q: What kind of notes or special requests are you looking for in the **Registration Notes** section?

A: This section can be used to request specific rooming assignments, health concerns beyond the normal medial health release form, etc.

Q: How do I pay without a PayPal account?

A: On the PayPal page there will be two options on the right; pay with a PayPal account and pay with a debit/credit card. Choose the second option and fill out the information.

Q: What is Bridge Duty?

A: Bridge Duty is when an advisor is stationed in the main lobby of Shamie Hall. They are accessible to any DeMolays in case they have questions about the schedule, their rooms, etc. Shifts are two hours long and run from the beginning to the end of Conclave. Bridge Duty is a crucial part to the Conclave program to provide on-guard advisors ready to react and be helpful.

Fighting Hunger at Conclave

The Goal: In spirit of the Hunger Games trilogy, the membership of Massachusetts DeMolay will compete to fight hunger at Conclave and all around Massachusetts.

Before Conclave: In the months leading up to Conclave, the State Officers are asking each Chapter to raise monetary donations towards a hunger-based charity. The charity will be decided at Conclave by the winning district. The charity picked will be one that is based in the hometown of a Massachusetts Chapter. The State Officers' goal is to reach \$1,500 by Conclave!

At Conclave: The seventeen Chapters across the jurisdiction will be split up into twelve districts and pitted against each other in a series of mental and physical challenges. A few lucky finalists will enter the Grand Finale on Saturday night to represent their district and DeMolay. By the end of Conclave on Saturday, only one district will become victorious (don't worry; no harm will befall the rest).

What Do To Now: Start raising funds! The more we are able to raise as a jurisdiction, the better job we can do to stamp out hunger in Massachusetts.
